New Business/Unfinished Business

* Began discussing our roll as a PTSA this year and what will be needed from us for students and staff. Will we be able to meet on campus? Or will we do a Zoom option? Do we potentially alternate between Zoom and online for those who do not feel comfortable coming in person?

* Goodie bags for teachers coming back to school? Masks with Logos? Starbucks cards?

*Instagram page? Michelle offered to look into that for us. Also offered to do a Facebook push to help get more parents (especially incoming 6th graders) involved in PTSA if we are unable to set up tables and do it in person.

*Discussed putting together a digital newsletter to help kids and parents stay connected to the school if we are not able to come back in the building. Ideas to include: Highlighting a teacher a month, providing resources to help with distance learning as well as resources for was to get help.

* Tabled most ideas until we have a clearer understanding of what the fall will look like, what our roll will be, and what the District guidelines will be.
